## 2nd International Workshop on Symmetries of Graphs and Networks

Sunday, August 1– Friday, August 6, 2010.  
Rogla, Slovenia

*Organized by*

**University of Primorska, Koper**

---

### *Scientific Program*

---

The aim of this workshop is to gather the leading international researchers and fresh PhD students to discuss recent trends and future directions in algebraic combinatorics. The working schedule will consist of some survey talks and other contributions, with most of the time devoted to discussion and work on open problems.

---

### *Conference Venue*

---

The workshop will be held at Hotel Planja, Rogla. Situated at around 1500m above sea level, its beautiful natural scenery provides pleasant climate conditions and stimulating working environment. For more information, see [www.rogla.eu](http://www.rogla.eu).
