

ANNOUNCEMENT

PhD Fellowship (“Young Researcher” position) at the University of Primorska, Slovenia

The University of Primorska announces three “Young researcher” positions under the supervision of

- Dragan Marušič (Algebra and Discrete Mathematics);
- Štefko Miklavič (Algebra and Discrete Mathematics);
- Enes Pašalić (Cryptography).

Applicants should have a BSc or equivalent training (by September 2014). Applicants for Young researcher positions in mathematics are expected to enroll in the PhD program at UP FAMNIT.

The positions are for 3 and 1/2 years and include a tuition fee waiver. The holder is expected to complete his/hers PhD training in 4 years.

The deadline for applications will be in June 2014 (the exact date yet to be confirmed). Applicants should send a letter of interest with CV and two recommendation letters to:

”Young Researcher position”
University of Primorska, UP IAM
Muzejski trg 2
6000 Koper
Slovenia

The application should also be sent by e-mail to the address olga.kaliada@upr.si.
